

Required Licensure Assessments

As part of the ATL Program we track student progress, however, licensure assessments are the responsibility of the teacher candidate. All licensure assessments must be completed with passing scores and reported to NMPED before a full level 1 license will be granted.

Licensure Pathways Supported by CNM's Alternative Teacher Licensure Program	PRAXIS Test Code	Qualifying Score	Required to ENTER the ATL Program	Required for Licensure
Early Childhood (PK-3)				
Education of Young Children	5024	160		x
