

CNM Surgical Technology Outcomes

Student Retention

The Surgical Technology program will strive to maintain an annual graduation rate of 70% or better.

Graduation Year	Students Entering Program (Fall and Summer Start)	Students Completed Program	Graduation Rate
2023	23	16	70%
2024	19	15	79%

Job Placement Rate

The Surgical Technology program will strive to maintain an annual graduate job placement or continuing education rate greater than 70%.

Graduation Year	Graduates	Graduates Employed or Continuing Education in Related Field (at reporting time)	Placement Rate (does not include students with unknown status)
2023	16	16	94%
2024	15	14	93%

Credentialing Success

The Surgical Technology program will strive to maintain an NBSTSA Board Certification overall attempt rate of 100% with a three-year pass rate of 70%.

NBSTSA CST Credentialing

Graduation Year	Number of students taking exam	Number of students who passed the exam	Annual Pass Rate
2023	16	10	63%
2024	15	15	100%

Most Recent Individual Cohort Credentialing

Graduation Date	Number of students taking exam	Number of students who passed exam	Pass Rate
Cohort 1 - April 2024	5	5	100%
Cohort 2 - August 2024	10	10	100%
